

O King of Endless Universe

Kyle Lehman

Lyndon Gehman

MYERSTOWN

1. O King of end - less u - ni - verse
2. Though You are high and in - fi - nite,
3. We long to look in to your will
4. So Fa - ther God who fash - ioned us,

We lift our mor - tal hands to Thee,
You craft - ed life from lumps of clay;
And com - pre - hend fur - Your ther great de - sign,
We seek pre no fur - ther than to place

And raise a prayer from bro - ken lips
Come down, com - mune with on us earth - are fore
But Lord, our You mune eyes made in - to Your are dim;
The hands You made in - to Your are own,

To view the things we yearn to see.
Our flick - er - ing light shall com - pare to a - way.
Our thoughts can not till we com - pare to Your Thine.
And fol - low, till we see Your face.
